

Missing Letters!

"Growing Up with the River" introduces us to a lot of animals found in Missouri! Look at the pictures below. Say what you see out loud. What do you hear? Add the missing letter on the blank.

_ l u e G _ l l F i _ h

is a freshwater fish and lives in streams, rivers, lakes, and ponds.

M o _ a _ c h _ u t t e r _ l y

migrates south through Missouri in late September and early October.

E a _ t e _ n B l _ e B i r d

is the Missouri State bird and nests in holes of trees along the edge of forests and farm fields.

R _ d F o _

although they are in the dog family, they share some behaviors of cats; like pouncing on prey, running sideways, & walking on toes.

Can you name any other animals mentioned in the book during the weekly readings?
